## Bedtime Story For the Little Ones UNCLE WIGGILY AND THE FISHERMAN'S WIFE

W HAT shall I do? What shall I do? What shall I do? Uncle Wiggily Longears, the rabbit genian, heard some one saying this as was walking through the wood one going toward a lake where the ny uncle had promised to meet indicate the modather Goosey Gander, and play one of the said."

"If you had asked that fish for anything he would have given it to you she said." dfather Goosey Gander, and play ime of corn meal checkers.

Oh, dear! What shall I What shall I do?" sounded the again, and, looking around the had, er of a stump, Uncle Wiggily saw

Hai Another one of my Arabian his frience, I think," said Uncle ggily. "He seems to be in trouble, I wonder if I cannot help him.

said:
ou seem to be in trouble. May I have the happiness of helping "Well no sooner had I recited that the land of the fisher than up from the waves the fish sping you have heard of me. I am a story book. Once I went fishing lake and caught a big fish which, lake and caught a big fish which, leon as I lifted it from the water. You new house is ready for you, and surely enough, when I get home, there was my wife, setting to rights a fine, now house.

Andruffy Heads

Become Hairless

f you want plenty et thick, beantil, glossy, sliky hair, do by all means rid of dandruff, for it will stare the same it to be much good to try to get rid of dandruff, for it will stare to she or wash it out. The only sure you get rid of dandruff is to dispect the she was not entirely do this, get about four owness of lanary fluid arvon; apply it at ht when retiring; use snough to isten the scalp and rub it in gently by morning, most if not all, of your druff will be gone, and three or r more applications will completely solve and entirely destroy every gle sign and trace of it.

Ou will find, too, that all itching digsing of the scalo will study and sull reflect my little wash. The single remedy never should not at any drug store. It is inex sive and four cunces is all you will d, no matter how much dandruff live. The single remedy never shall not make that about the was much dead and the first plant of the single remedy never shigh flash there were dark and four cunces is all you will d, no matter how much dandruff live. The single remedy never shigh these ships to be gab boand to worm will study on will the send to contact the single remedy never ships the ship to be gab boand will now what so the single remedy never ships the single remedy never ships the ship to be gab boand to the single remedy never ships the ship to be gab boand to the single remedy never ships the ship to be gab boand to the single remedy never ships the ship to be gab boand to the ship the ship through the ship to the ship the ship through the ship through the ship to the ship through the

By HOWARD R. GARIN-

"Oh, now I remember you," cried Uncle Wiggily. "Your wife told you to go back and call to the fish and ask him to give you a better house

"Exactly," said the fisherman. "So
I went back to the shore of the lake,
and I recited this little verse: On, fish
of the sen, come listen to me. For
Alice, my wife, the plague of my life,
has sent me to beg a boon of thee. Of
course Alice, my wife, ian't really the
plague of my life," went on the fisherman, "I only said that to make it
thyme."
"I understand." spoke that

house again with her old rags on, crying many tears.

That is too bad," said Uncle Wigsily. "It goes to show, I suppose that
one should not want too much. Still,
far be it from me to find fault with
any one. I wish I could help you."

"I don't see how you can," said the
ragged fisherman. "If only we had
the nice house my wife wished for at
first I would be happy and she would
be satisfied. My good clothes changed
to ragged ones too. Oh, if I only had

din did with one rub of the wonderful lamp.

"Oh, thank you!" cried the fisherman, as he and his wife moved into the new house. And there they lived for many years, happy and contented, which, after all, is the best part of life if you can find it. And the wonderful fish was never heard of smain.

And if the condensed milk doesn't get pinched in the lemon squeezer so that it has to lime when it goes to the moving pictures. I'll tell you next shout linele Wignils and the goiden bird.—Copyricht, 1917, by McClure Newspaper Syndicate.

In CR Thursday, Mo STROLOGERS read this as an unfavorable day. Although the Sun is in benefic aspect early in the morning, later the luminary is threatching and Neptune and Mars are strongly adverse.

Under this sway the favor or support of any man in a position of power may be easily lost. It is a particularly unlucky day for political as-

REACHES ALL STOCKHOLDERS

Removes it. Works equally well-for removing hair from neck, arms, under arms or limbs.

To kink the gayety was at its beight, a cry of dismay plerced the smoke-laden alr. Count Parestell had missed his enormous \$100,000 pearl stud.

Immediately, Sheerluck Bones was of the count's shirt, he examined it carefully, the ordered all the ladies in the room to stand in a line, and then waked rapidly up and down the line, down and up and back again.

Stopping before Mine. Howmuchsky, he laid his hand upon her shoulder and exclaimed. This lady has the pearl?

How did you know? "Wonderfull' Marvelous!" etc., etc., were only, a few of the exclamations going around. An easy matter, replied the great detective to the numerous inquiries. "You see, just above the spot where cent Parches' sticks his stud is a small block mark. And right on the end of Maddame Howmuchsky a none is a small white mark. Well, that's where her black makes-up rubbed off on count Unrehes!'s shirt, so I deduced that she has bitten off the pearl, as, I expose they danced a type step to gether." (Enough.)

Sunshine Salad.

NEW salad prepared with an- design on individual plates and deco-A paragus is especially delicious.

Take one letture, some canned asparagus, two or three pimentos.

First wash, then dry the letture by shaking it in a towel, add a few olives and one hard belied egg. Shred the letture and silce the pimentos. Then arrange the vegetables in a sunburst
